PARENTS CHARTER

Children develop at different rates both mentally and physically and they will react to various situations very much as individuals. We are attempting to give all the players who play for this team an enjoyable and worthwhile experience and this can only be made possible by supporting adults displaying both the correct maturity and a willingness to provide a positive sporting example.

At training sessions or matches that you attend please remember:-

Young players are not taking part to satisfy your ambitions.

Youngsters are involved for their enjoyment and not yours

You have a responsibility to encourage young footballers to play according to the Rules of the Game.

The players are involved in a Team Game, therefore, teamwork and co-operation are of paramount importance.

The effort put into the game should be recognised and for very young players is praiseworthy no matter what the result.

Adult supporters, though keen to encourage youngsters to strive to win, should be mature enough to accept defeat

Be willing to applaud good play by players on both Teams.

Never ridicule or shout at young players for making mistakes or losing the game.

ENCOURAGE THEM or KEEP QUIET

Recognise the value and importance of the adults who give up their time and energy on behalf of the youngsters

Never question a Referees decisions or honesty
